THE DO & DON'TS

The items we accept and do not accept

Acceptable Items

- **General Household Trash**
  Housewares, personal items, clothing, plastics, paper, and furniture including mattresses, box springs, chairs, couches, and sofa beds.
- **Construction & Demolition Materials:**
  Wood, plastics, metals, insulation, roofing materials, wiring, pipes, carpeting, flooring, and other construction-related items.
- **Recyclable Materials:**
  Paper, cardboard, plastic, glass, and metals.
- **Home Electronics**
  Televisions, computers, printers, and similar devices.
- **Appliances***
  Microwaves, stoves, dishwashers, washing machines, dryers, ovens, air conditioners, swamp coolers, freezers, and refrigerators.

Non-Acceptable Items

- **Hazardous Waste**
  Chemicals, pesticides, solvents, paint, oils, fluorescent lightbulbs, certain electronics, household cleaners, fuels, and propane tanks.
- **Biohazard Materials**
  Medical waste, bodily fluids, expired creatures, healthcare refuse, and any potentially contagious materials.
- **Food Waste**
  Leftover food, spoiled edibles, fruit and vegetable peelings, coffee grounds, eggshells, bones, and other kitchen scraps.
- **Batteries**
  No batteries permitted, including car and lithium batteries.
- **Weapons**
  Firearms, ammunition, or any related items.

Special Notes

- **Heavy Materials & Yard Waste**
  Concrete, rock, sod, bricks, and yard waste require special dumpsters and should not be placed in standard dumpsters. For these materials, please use our specialized Concrete, Dirt & Sod Dumpsters.
- **Specialty Items*** Tires ($25 each), mattresses ($50 each), and appliances ($50 each) are permitted but subject to additional fees due to special handling and disposal requirements.
